

Building on the Eco-design Directive, EuP Group Analysis (I), Lot 3: Sound & Imaging Equipment

2nd Stakeholder Meeting

Introduction

Dr Steve Ogilvie

Purpose of this Workshop

To bring delegates up to date with reporting

To put forward our ideas on:

- BAT
- BNAT
- Improvement Potential
- Policy options

To encourage lively discussion of the above

To reach a consensus of opinion

To outline the next steps we shall be taking towards project completion
