

Building on the Eco-design Directive, EuP Group Analysis (I), Lot 3: Sound & Imaging Equipment

2nd Stakeholder Meeting

Critical Elements

Dr Steve Ogilvie

Future Problem for Lot3 Products?

- Supply risks / Demand growth / Recycling restrictions
 - Ga, Te, In (Short term)
 - Rare earths (Regional)
- Could material scarcity:
 - impact delivery of EU policy objectives for the Lot3 products? or
 - impact innovation?
